GOOD SPORTSMANSHIP is viewed by the Chittenden County Area High School Principals as a commitment to fair play, ethical behavior and integrity. The ideals of sportsmanship apply equally to all activity disciplines. All individuals, regardless of their role in activities, are expected to be aware of their influence on the behavior of others and model good sportsmanship. Any individual unable to model sportsmanship will be requested to leave our facilities. —The Chittenden County Principals—

# ≡ Meet Our Seniors . . .

## #2—Mayson Kropf

Mayson has been a three year member of the team. A well conditioned athlete, Mayson has become a significant contributor for his team and can always be counted on to lead with his extraordinary work ethic. 'Dozer', as his nickname might imply, is known around the league for his strong physical play. Mayson plays both a regular shift as well as contributing to the penalty kill. You will see Mayson this spring on the Red Hawk lacrosse team. Next year Mayson plans on attending one of a number of different colleges.

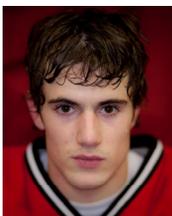

## #8—Jamie Thayer

Jamie made the team in his junior year. 'Jamer' was able to immediately play a vital role for his team. His quick reflexes, coupled with a tenacious skating attack, make him a very valuable forward. He is also an important member of the penalty killing group and a reliable faceoff man. Another multi sport athlete, Jamie was a member of a very good Red Hawks soccer team. Jamie plans on attending one of a number of different colleges next year.

## #9—Derek Goodwin

A true sniper, Derek has played with the Red Hawks since his sophomore year. Possibly the best shooter and pure goal scorer on the team, Derek quietly flies under the radar and racks up goal after goal with his accurate shot and quick release. 'Goody' has recorded over 25 goals so far in his high school career. Derek is a regular skater and a member of one of the more deadly power play units in the league. He also has a keen sense of humor and always has his team mates smiling! A multi sport athlete, he played on the Red Hawk football team. Derek will attend one of a number of different colleges.

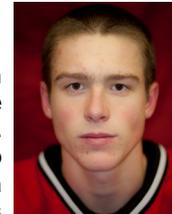

## #21—JP Benoit

JP literally burst on the scene of CVU hockey in his Freshman year. Known for his explosive speed and work ethic, JP has steadily increased his contributions to the team. 'Japes' not only plays a regular shift but is a power play contributor and our premier penalty killer. JP is a leader, both on and off the ice. An all star football player for the Red Hawks, JP is planning on attending either Ithaca College, University of New England, or possibly Castleton to continue his football career.

## #20—Kyle Logan

A strong and powerful skater, Kyle is always leading his team with his playmaking, work ethic and determination. Silky smooth on the ice, 'Marv' has been a member of the team since his freshman year. He is one of a select few Vermont high school hockey players to amass 100 points and has over 50 goals in his career. He plays a vital role on the power play, as well as taking a regular shift. Kyle is a Vermont high school hockey all star and is one of the most feared forwards in the league. An 'All New England' soccer star, Marv will attend Southern New England College next year, where he will join their soccer team.

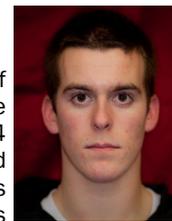

## #24—Erick Maclean (Asst. Capt.)

One of the team's two Assistant Captains, 'Big Mac' has been a member of the team since his sophomore year. Erick is, without a doubt, the tallest defenseman, with the longest reach, to ever have played hockey for CVU. He has anchored the defensive corps this year and is a fixture on all special teams units. Big Mac is a multi sport athlete, playing a large role on the soccer team as well. Big Mac's hockey skill is only eclipsed by his academic excellence. Erick plans on attending one of a number of different colleges next year.

## #4—Robbie Dobrowski (Captain)

In the annals of CVU hockey, Robbie will be remembered as one of the most prolific scorers in its history. Fiercely competitive, Robbie has already eclipsed the 150 point barrier with over 90 goals in 4 years of play. Since his Freshman year, 'Lebow' has been a solid contributor in all respects for this team. He logs a lot of minutes each night playing in all situations for the team. CVU also benefits from his athletic prowess on the lacrosse field, where you'll find him in the spring. As a result of his academic excellence, Robbie will attend Middlebury College next year and will play hockey.

*Each of these outstanding young men has contributed in their own unique way to the success and strength of the CVU Redhawk Team.*

*They are to be commended for their passion and dedication.*
